## **CREWS PLANNING TO REPLACE WASHED OUT BRIDGE ON POLE RUN ROAD IN PRINCE GEORGE**

*Drivers should continue to use the posted detour until further notice*

**SOUTH CHESTERFIELD** – Virginia Department of Transportation (VDOT) crews closed the Pole Run Road (Route 616) bridge over Wards Creek in Prince George County due to a localized washout on the south end of the bridge caused by heavy rain overnight on June 3. After assessing the damage, inspectors have determined that the bridge needs to be replaced and will begin an emergency bridge replacement process as soon as possible. The road will remain closed to through traffic between James River Drive (Route 10) and Lone Oak Mill Road (Route 658) until further notice.

Drivers should continue to use the posted detour routes:

- Eastbound Pole Run Rd. (Rt. 616) – Take Hines Rd. (Rt. 625) north to James River Dr. (Rt. 10) east back to Pole Run Rd. (Rt. 616).
- Westbound Pole Run Rd. (Rt. 616) – Take James River Dr. (Rt. 10) west to Hines Rd. (Rt. 625) south back to Pole Run Rd. (Rt. 616).

Drivers can ask questions or report any storm damage to VDOT's customer service center at 800-FOR-ROAD (800-367-7623) or <https://my.vdot.virginia.gov>.

For the latest real-time traffic information or road conditions, call 511 or visit <http://www.511virginia.org>.
